

Silicon Europe invites you:

European Week in Taiwan from **May 30 to June 3**

This event is especially designed for you!

Here is what you can expect:

- ✓ **Promote your company** in Taiwan, the gateway to China and the rest of Asia
- ✓ **COMPUTEX Taipei** attracting more than 1,700 international exhibitors covering the whole ICT supply chain from Consumer Electronics to IOT

- ✓ **B2B Matchmaking Events** to bring Taiwanese and European companies, institutes and agencies together
- ✓ **Workshops** where you can present your digital technologies enabling innovative solutions for Smart Health, Smart Mobility or Smart Industries

Interested?

Please contact Laure Quintin (laure.quintin@minalogic.com) for more information about the **European Week!**

The European Week is a joint initiative of the European Commission in collaboration with Silicon Europe, the Enterprise Europe Network coordinated by TAITRA, the EU Chamber of commerce in Taiwan and the European Cluster Collaboration Platform.
